**ELECTRONIC MEETING**

This electronic meeting of the State Health Facilities Council is being held in accordance with Iowa Code section 21.8 entitled “Electronic Meetings.” The Code states that a governmental body may conduct a meeting by electronic means only if circumstances are such that a meeting in person is impossible or impractical and access is provided to the public. An in-person meeting of the Council to handle this agenda is impractical due to the schedules of the Council members and the resources of the Department. The meeting will be initiated in room 523 of the Lucas State Office Building and will be conducted via Zoom, which offers both video conferencing and conference call capabilities (See call-in number/code below). Notices and agendas were posted in the Lucas State Office building and on the Department’s web site under the Certificate of Need Program. The meeting will be recorded and minutes of the meeting will be kept.
